

**Kurita Ippei (our member from April, 2012) received the Award
from Yanmar Thesis/Essay Competition**

As informed in last semester, Yanmar company gave us the opportunity of thesis/essay competition on “Future agriculture---Food growing life, Agriculture creating food, and Farming, mountain, and fishing village conserving environment.”

Ippei Kurita, one of our undergraduate students (currently 3rd grade) who is joining our laboratory, received “Outstanding Performance Award (in 10 good papers)”. Below URL shows this time laureates.

Congratulations! We expect someone gets it next time!

栗田一平君がヤンマー学生懸賞論文で優秀賞を受賞

当研究室に入室予定の3回生、栗田一平君が、昨年のヤンマー懸賞論文で、優秀賞を受賞しました。
